REMARKS

Although the Applicant believes that the reason for which the amendments were deemed to be noncompliant is baseless, the Applicant has removed the "inappropriate" check marks that were provided along side the amended subject matter in an effort to assist the Examiner in establishing the amended subject matter.

As requested, only the corrected section of the non-compliant amendment document, now in compliance with 37 C.F.R. 1.121, is resubmitted in its entirety. It is respectfully submitted that the above appropriately addresses all of the matters raised in the Notice of Non-Compliant Amendment. However, if anything further is required in order to respond to the outstanding Notice, please contact the undersigned by telephone to expedite handling of the same.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
